

Second U.S. Ocean Acidification Principal Investigators' Meeting
Gallaudet University's Kellogg Conference Center, Washington, DC
September 17-20 2013

Agenda as of September 10, 2013

Tuesday, September 17	
19:00-20:00 Auditorium	<u>Ocean Tapas: Small Bites of Big OA Issues (COMPASS)</u> This fast-paced discussion among leading journalists and scientists on the latest findings, thorniest challenges, and social relevance of ocean acidification science will highlight hot topics and jump start conversations about communicating your science at the OAPI meeting and beyond. Join us for this fun event and the chance to meet and mingle with the journalists at the no-host reception to follow.
20:00 - 21:00 Atrium outside Auditorium	No-host reception

Optional courtesy shuttles to Courtyard Hotel leave at 2030, 2100, 2130

Wednesday, September 18	
<i>Optional courtesy shuttle from Courtyard Hotel leaves at 0830, does two runs</i>	
8:45-9:00 Auditorium	Welcome (<i>Kim Yates, USGS; Jeremy Mathis, NOAA PMEL</i>)
9:00-10:30 Auditorium	Session 1: Scientific Themes in OA research (<i>Chair: Yates</i>). Brief overview talks of the state of the science. - Observing and Measuring (<i>Chris Sabine, NOAA PMEL</i>) - Technical Limitations and Needs (<i>Todd Martz, SIO</i>) - Linking Measurements to Processes (<i>Bruce Menge, OSU</i>) - Methodological Developments (<i>Gretchen Hofmann, UCSB</i>) - OA as One of Many Issues (<i>Joan Bernhard, WHOI</i>) - Modeling, Forecasting, Conveying Uncertainty (<i>Francis Chan, OSU</i>)
10:30-11:00 Atrium outside Auditorium	Coffee
11:00-11:30 Auditorium	The Changing 'Climate' in Science Journalism: Adaptation and Mitigation Strategies (<i>Cheryl Dybas, NSF</i>)
11:30-13:30	Lunch

Ballroom ABCD	Lunch workshop: Delivering a Clear Message (COMPASS). In this 1.5-hour workshop during the OAPI meeting, you will learn how to talk about your science - and why it matters - in clear, lively terms. We'll help you replace unnecessary details with an accurate message that will resonate with your audience and leave them wanting more. Your takeaway will be the beginnings of a 30-second elevator speech that you can use anytime and anywhere.
13:30-15:30 Auditorium	Session 3: A Growing National OA Research Community (Chair: Jeremy Mathis). Agencies discuss their activities regarding OA, coordination, and future plans in short talks and a panel. - <i>David Garrison (NSF)</i> - <i>Libby Jewett (NOAA)</i> - <i>Paula Bontempi (NASA)</i> - <i>Kenli Kim (State)</i> - <i>Mary Boatman (BOEM)</i> - <i>Paul Cough (EPA)</i> - <i>John Haines (USGS)</i> - <i>Bret Wolfe (FWS)</i>
15:30-16:00 Atrium outside Auditorium	Coffee
16:00-17:15 Auditorium 16:00-16:30 16:30-17:15	Session 4: Data Management (<i>Chairs: Sarah Cooley, Jan Newton</i>) <i>Krisa Arzayus & Hernan Garcia (NODC), "Data Management for the Long Run: OA Data Needs for Today and Tomorrow"</i> Panel discussion: "Can we get what we want AND what we need?" Participants TBA.
17:30-19:00 Ballroom ABCD	Poster session & reception (appetizers and soft drinks, cash bar available)

Optional courtesy shuttles to Courtyard Hotel leave at 1830, 1900, 1930

Thursday, September 19	
<i>Optional courtesy shuttle from Courtyard Hotel leaves at 0830, does two runs</i>	
8:45-9:15 Auditorium	The OA X Prize and Q&A (<i>Paul Bunje, X Prize</i>)
9:15-9:30 Auditorium	Introduction to breakouts (<i>Yates/Mathis</i>)

9:30-11:30 Rooms vary	Breakout period 1: Parallel small-group discussions. Rooms listed on “Breakout Details” packet in folder
10:30-11:00 Atrium outside Auditorium	Coffee available; rolling coffee breaks by breakout room
11:30-12:30 Auditorium	Breakout groups report back in plenary; discussion (Yates/Mathis)
12:30-14:00 Ballroom ABCD	Lunch
14:00-16:00 Rooms vary	Breakout period 2: Parallel small-group discussions. Rooms listed on “Breakout Details” packet in folder
15:30-16:00 Atrium outside Auditorium	Coffee; rolling coffee breaks by breakout room
16:00-17:30 Auditorium	Breakout groups report back in plenary; discussion (Yates/Mathis)
17:30-18:30 Ballroom ABCD	Posters
18:30-20:00 Ballroom ABCD	Meeting dinner

Optional courtesy shuttles to Courtyard Hotel leave at 1930, 2000, 2030

Day 3	
<i>Optional courtesy shuttle from Courtyard Hotel leaves at 0830, does two runs</i>	
8:45-9:00 Auditorium	Plan for the day (Yates/Mathis)
9:00-10:30 Rooms vary	Breakout period 3: Wrap up and plan next steps Rooms listed on “Breakout Details” packet in folder
10:30-11:00 Atrium outside Auditorium	Coffee
11:00-12:30 Auditorium	Session 4: Ways forward, part 1 (OCB OA subcommittee)
11:00-11:30	From the science up: Integrating knowledge, research, and

11:30-12:30	management (<i>Holly Greening, TBEP</i>) Plenary discussion of priority needs & ways forward
12:30-14:00 Ballroom ABCD	Lunch
14:00-16:00 Auditorium	Ways forward, part 2 (<i>OCB OA subcommittee</i>) Compile messages from morning discussion, plus breakout discussion findings. Identify next steps and recommend community priorities.
15:00-15:30 Atrium outside Auditorium	Coffee
16:00	Adjourn

Optional courtesy shuttles to Courtyard arranged as needed
